EXAM SPHERE OLYMPIADS • REDEFINING EXCELLENCE

Learning beyond the Classroom

A platform for students to apply what they learn, think logically, and discover their strengths.

CONCEPTUAL LEARNING | LOGICAL GROWTH | NATIONAL EXPOSURE | HONEST FEEDBACK

ABOUT EXAM SPHERE OLYMPIADS

EXAM SPHERE OLYMPIADS is an academic initiative by EXAM SPHERE LLP for students in Classes I–XII. It offers age-appropriate challenges that help students apply classroom learning, develop logical thinking, and compete with peers across India. The aim is to build conceptual clarity, curiosity and confidence—not just marks.

OUR VISION

To empower students to go beyond textbooks, exceed limits, and grow into confident thinkers and future leaders.

OUR MISSION

CONCEPTUAL LEARNING
Help students understand the 'why' behind the 'what'.

LOGICAL GROWTH
Build reasoning and analytical skills from an early age.

NATIONAL EXPOSURE
Create a pathway from classroom learning to wider academic competition.

HONEST FEEDBACK
Provide a Student Performance Analysis Report (SPAR) highlighting strengths and areas for growth.

LEARN • THINK • GROW

Small steps build confident, curious learners.

WHY PARTICIPATE?

CONCEPTUAL CLARITY
Questions focus on understanding and application, not rote memorisation.

REASONING & IQ PRACTICE
Build pattern analysis, logical thinking, and multi-step problem-solving skills relevant to future studies, competitive exams, and everyday life.

COMPETITIVE EXPERIENCE
Take part beyond the classroom and understand performance across levels, with national-rank details subject to the official result format.

DETAILED SPAR REPORT
Review strengths, areas to improve, time management, and a growth plan in a detailed 8-page Student Performance Analysis Report (SPAR).

CONFIDENCE & MOTIVATION
Set a goal, prepare with purpose, and grow through the challenge.

RECOGNITION & REWARDS
Certificates, medals, trophies, cash prizes or media recognition may be offered as specified in the applicable Award Policy.

WHAT WE STAND FOR

FAIRNESS FIRST
An equal, transparent, and unbiased platform.

CLARITY OVER COMPLEXITY
Age-appropriate questions, clear instructions, and school-aligned syllabi.

ACADEMIC INTEGRITY
Ethical assessment, no data selling, no false ranks and clear communication.

LEARNING BEFORE RANKS
Practice and reflection matter alongside awards.

CONTINUOUS GROWTH
A detailed SPAR supports next steps, not only celebration.

TRUST WITH EDUCATORS
Coordinate participation and exam logistics with schools and educators.

Four Progressive Levels

A pathway to achievement, rewards and recognition at every stage.

SCHOOL 1 — DISTRICT 2 — STATE 3 — NATIONAL 4

LEARN • THINK • GROW

Small steps build confident, curious learners.

ADVANCEMENT AND AWARDS BY LEVEL

SCHOOL LEVEL

Top 3 performers at each participating school may be eligible for a waiver of the District Level registration fee.
1st: Gold Medal + Achievement Certificate
2nd: Silver Medal + Achievement Certificate
3rd: Bronze Medal + Achievement Certificate
All participants: Participation Certificate

DISTRICT LEVEL

Qualifying toppers may be eligible for a waiver of the State Level registration fee.
1st: Laptop + Gold Medal + Achievement Certificate + partner-institution admission discount
2nd: Tablet + Silver Medal
3rd: Mobile Phone + Bronze Medal

STATE LEVEL

Top-performing students may progress to National Level, subject to official qualification criteria.
Eligible toppers may receive full course sponsorship at partner institutions, subject to eligibility and terms.
Top 3: Gold, Silver and Bronze Medals + Achievement Certificates.
All participants: Participation Certificate.
Outstanding achievers may receive special gifts.

NATIONAL LEVEL

Outstanding performers are recognized for academic achievement under the official session policy.

EXCLUSIVE OPPORTUNITIES FOR TOPPERS

Top-performing students across all levels may receive preference in admission or recruitment at partner institutions, subject to each institution's eligibility criteria, selection process, available opportunities and applicable policies.

Excellence recognized • Talent celebrated • Futures built

HOW PROGRESSION WORKS

Each level builds on the previous one. Students and schools should review the official qualification criteria, schedule and programme rules for the relevant session before registration.

SCHOOL COORDINATION

Schools can discuss registration, exam logistics, student communication and result distribution with EXAM SPHERE LLP.

HEALTHY COMPETITION

The programme encourages academic excellence, motivation and a positive spirit of competition.

PROGRESS IS THE PRIZE • PRACTICE • LEARN • ADVANCE

All awards, progression benefits and partner opportunities are subject to eligibility, session criteria and applicable policies.

Subjects and Assessment

Choose the subjects that best match each student's interests and class level.

EXPLORE THE OLYMPIAD SUBJECTS

MATHEMATICS • ESMO

Classes I–XII. Arithmetic, number sense, patterns, geometry, measurement, data interpretation and problem-solving.

SCIENCE • ESSO

Classes I–XII. Observation, scientific concepts, everyday science, application and analytical questions.

ENGLISH • ESEO

Classes I–XII. Vocabulary, grammar, sentence structure, reading comprehension and language use.

LOGICAL REASONING • ESLRO

Classes I–XII. Sequences, analogies, classification, visual reasoning, patterns and logical deduction.

COMPUTER • ESCO

Classes III–XII. Computer fundamentals, digital awareness, safe technology use and computational thinking.

GENERAL KNOWLEDGE • ESGKO

Classes I–XII. Current affairs, history, geography, science, sports, famous personalities, awards, important days, India and world GK.

SUGGESTED EXAMINATION STRUCTURE

QUESTION TYPE	Multiple-choice questions.
DURATION	60 minutes.
TOTAL	60 questions, 1 mark each.
SYLLABUS	Class-wise syllabus based on the announced subject outline.
MODE	Offline and OMR-based in participating school premises. Centres may be used for District, State and National levels as announced.
LANGUAGES	Bilingual: Hindi and English.

The subject list and exam structure are indicative. Final subjects, class-wise syllabus, paper pattern, marking scheme, negative marking (if any) and exam mode will be confirmed and published on the official website before registrations open.

HOW STUDENTS CAN PREPARE

CHECK THE SYLLABUS

Detailed class-wise syllabus for each subject is available at www.examspheregroup.in.

SCHOOLS CHOOSE SUBJECTS

Each school may choose subjects according to its preference and get syllabus and preparation guidance for the opted subjects.

PREPARE WITH PURPOSE

Review class-wise topics, strengthen fundamentals and practise with Exam Sphere sample papers or mock questions when available.

BUILD STRONG CONCEPTS • PRACTISE • GROW WITH CONFIDENCE

Participation and Registration

From school coordination and registration to results and recognition.
